

We specialize in helping property owners, like you, recover cash settlements for the damaged building materials installed on their homes.

Over 20 million single-family homes are clad with exterior hardboard and OSB products that are the subject of class action lawsuits. Most property owners are unaware they are eligible for payment and never collect their check.

Do you Qualify for a Cash settlement?

Over 20 million recovered Nationwide
Millions more waiting to be claimed.

Recovery

Dear Neighbor,

I used SidingID.com to assist me with recovering a settlement for the siding on my home. It was risk-free, I paid no money up front and you may qualify too.

There is no obligation, they will inspect your home free of charge and evaluate your siding for recovery possibilities. They will not contact you until you phone them first.

They've helped thousands of homeowners throughout the country, and I encourage you to contact them.

Neighbor's Name & Address:

\$25*

Referred by:

*Details on right

If you are satisfied with our service and want to spread the word about SidingId.com, refer a neighbor and **receive \$25** for each referral that becomes a client.

For the 5th person that you refer, you will receive a check for **\$100***.

Here's how it works:

1. **GIVE** your neighbor the top part of this page.
2. **TELL** your neighbor to call your agent directly or call us toll free @ 1-888-474-0775 to set up their **free** consultation.
3. **GET** \$25 when your neighbor signs our service agreement. Call 1-888-474-0775 to redeem.

*This \$100 offer is restricted to certain types of claims and geographic areas of the country — ask your agent for details or call our offices @ 1-888-474-0775.
